Eco-Friendly

No plastic cup to throw away and biodegradable packaging offer a green alternative

Saves Money

15¢ average cost per cup versus 70¢ for K-Cups

Use Your Own Coffee

Great pull-through for whole bean and ground coffee selling in stores coffee aisle

No Filter Holder Removal

Unlike the My K-Cup, Ekobrew does not require removing the filter holder

Ekobrew on your coffee shelves means saving money for your customers, saving the earth and profits for you.

Don't miss out on sales!

Ekobrew with ground coffee will capture the green consumer.
